Substance Abuse

CONTENTS
Volume 38 Number 4 2017

Editorial
The denial of the association between youth cannabis and opiate use: A “Split Brain Syndrome”?
Yifrach Kaminer

Original Research
Exploring social work student education: The effect of a harm reduction curriculum on student knowledge and attitudes regarding opioid use disorders
Anthony Estreet, Paul Archibald, M. Taqi Tirmazi, Sapphire Goodman, and Tracy Cudjoe

Energy drinks and alcohol-related risk among young adults
Celeste M. Caviness, Bradley J. Anderson, and Michael D. Stein

The concurrent validity of the Problem Oriented Screening Instrument for Teenagers (POSIT) substance use/abuse subscale in adolescent patients in an urban federally qualified health center
Sharon M. Kelly, Kevin E. O’Grady, Jan Gryczynski, Shannon Gwin Mitchell, Arethusa Kirk, and Robert P. Schwartz

Overdose history is associated with postdetoxification treatment preference for persons with opioid use disorder
Michael D. Stein, Jessica N. Flori, Megan M. Risl, Micah T. Conti, Bradley J. Anderson, and Genie L. Bailey

Development and implementation of an alcohol withdrawal protocol using a 5-item scale, the Brief Alcohol Withdrawal Scale (BAWS)
Darius A. Rastegar, Dinah Applewhite, Aniko A. H. Alvanza, Christopher Welsh, Timothy Niessen, and Edward S. Chen

Gender differences in substance use and psychiatric distress among medical students: A comprehensive statewide evaluation
Lisa J. Merlo, John S. Curran, and Robert Watson

Age of initiation, psychopathology, and other substance use are associated with time to use disorder diagnosis in persons using opioids nonmedically
Ty S. Schepis and John K. Hakes

Trainees’ knowledge, attitudes, and practices towards caring for the substance-exposed mother-infant dyad
Davida M. Schiff, Barry Zuckerman, Elisha M. Wachman, and Megan Bair-Merritt

Homeless veterans’ experiences with substance use, recovery, and treatment through photo elicitation
Samuel F. Sestito, Keri L. Rodriguez, Shaddy K. Saba, James W. Conley, Michael A. Mitchell, and Adam J. Gordon

Addiction severity index profile of persons who reenter treatment for substance use disorders
Helene Simoneau and Serge Brochu

Can an app help identify psychomotor function impairments during drinking occasions in the real world? A mixed-method pilot study
Brian Suffoletto, Akash Goyal, Juan Carlos Puyana, and Tammy Chung

The overlap of sleep disturbance and depression in primary care patients treated with buprenorphine
Sarah L. Garnaat, Risa B. Weisberg, Lisa A. Uebelacker, Debra S. Herman, Genie L. Bailey, Bradley J. Anderson, Katherine M. Sharkey, and Michael D. Stein

Review
Substance use education in US schools of pharmacy: A systematic review of the literature
Andrew J. Muzyk, Emily Peedin, Juliana Lipetzk, Haley Parker, Mark P. McEachern, and Kelan Thomas

Reports
Exploring medical students’ conceptions of substance use: A follow-up evaluation
Dawn L. Lindsay, Holly Hagie, Piper Lincoln, Jessica Williams, and Peter F. Luongo

Examining changes in negative mood regulation expectancies, posttraumatic stress disorder, depression, and substance use following integrated cognitive-behavioral therapy
Emma Y. Siegel, Moira Haller, Rui Feng Cui, Ryan S. Trim, Susan R. Tate, and Sonya B. Norman
